

REMARKS

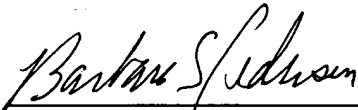

Applicant requests reconsideration and further examination of this application.

Applicant has amended Claims 1 and 4 to correct typographical errors as suggested by the Examiner.

Applicant appreciates the indication by the Examiner that Claims 2, 11-13, and 18-20 are allowable if rewritten in independent form. As Applicant herewith submits a Terminal Disclaimer to Obviate the Double Patenting Rejection, Applicant believes that now all the Claims are allowable and there is no need to amend any of Claims 2, 11-13, and 18-20 into independent format.

Applicant now believes the application is in condition for allowance and respectfully requests the same.

Respectfully submitted,
